

The image features a background with three large, overlapping triangular sections: a white section at the top left, a bright blue section at the bottom right, and a teal section at the bottom left. The word "DECKPRESS" is written in a bold, black, sans-serif font, slanted upwards from left to right, positioned across the white and blue sections. Below it, the phrase "WELCOME TO DISTRIBUTED PRESENTATIONS" is written in a smaller, black, sans-serif font, also slanted upwards and following the same diagonal path.
